Dear Mike:

Thanks so much for all your help and enthusiasm on our August 23, 2002 "Bandstand Boogie" event in Boca Raton. You were an absolute DOLL! You made things so smooth and easy. When things didn't go as we had planned, you were so flexible and unaffected and just a delight. You are an absolute pleasure to work with and we hope that we can do business with you in the future!

We apologize for the mix-up on your check and if you have not received it by the end of this week please call JC at 227-5296. Things can take a little longer when you are working with corporations. We appreciate your understanding and patience.

We heard great things about you from everyone at the Boca Chamber that had attended the event. They all thought that you were fabulous and so much fun! They wanted to know if you did private functions and we said absolutely. So DJ Mike Perry, you were a huge hit!!!!!!!

We both wish you much success in all your professional endeavors and we wish you many blessings in all areas of your life. We look forward to working with you in the future.

Sincerely,  
*JC Stern*
