Dear Mike,

My apologies for being remiss in sending this check, but I wanted to include a thank you note.

I was definitely 100% satisfied with your services. Nothing less than I had anticipated. Your professionalism, flexibility and outstanding personality made the evening a success and a pleasure for all who were there.

Again, thank you. If in the future, I'm hunting for "the music man" or should anyone I know ask for a recommendation, your name will be the first in my mind.

Thank you for a wonderful, wonderful wedding reception.

Yours Truly,
Maiana Aliza
