Dear Mike,

EVENT: MAY 17, 2008

You are completely honorable and admirable! Thank you for donating your time, incredible personality, music, fun, and knowledge to entertain the cast and crew of Ramblewood Middle School's drama production of Annie. The music made the night! I remember stepping back a moment before cutting the cake and watching my students. I am deeply indebted to you for that moment for it is ingrained on my heart. There was complete and utter joy on their faces and in their dancing. They had a memorable time, and for me, how great it is to create that for teens. I could not have done it without you. You stepped in at the eleventh hour and said, "Yes!" I will tell everyone about how wonderful you are! I hope to make it an annual event!

In gratitude,

Joelle Smith

Ramblewood Middle Drama Director and Teacher

The cast party dvd is still to come!
